The screenshot displays a database management interface with a sidebar on the left and a main content area on the right. The sidebar contains a tree view with the following items: Model Info, ER Diagram, Tables, Columns (highlighted in red), Keys, and Relationships. Below the sidebar, a list of columns is shown, including Borrowing.customerId, Borrowing.endDate, Borrowing.exemplarId, Borrowing.filmId, Borrowing.mediumId, Borrowing.startDate, Borrowing.totalPrice, Customer.address, Customer.customerId, Customer.name, Customer.note, Customer.phone, CustomerRating.director, and CustomerRating.rating. The main content area shows the details for three columns: Borrowing.customerId, Borrowing.endDate, and Borrowing.exemplarId. Each column detail is presented in a table format under a 'General info' header.

Borrowing.customerId	
Column name	customerId
Table name	Borrowing
Primary key	NO
Foreign key	YES
Data type	Char()

Borrowing.endDate	
Column name	endDate
Table name	Borrowing
Primary key	NO
Foreign key	NO
Data type	Char()

Borrowing.exemplarId	
Column name	exemplarId
Table name	Borrowing
Primary key	YES
Foreign key	YES
Data type	Char()
